Dear Friends & Family,

On Sunday, November 20th, 2022, the Johannesburg International Christian Church (JICC) (Reg #: 2016/116766/08) will celebrate the completion of our Special Missions Contribution to raise support for missionary work across the continent of Africa! **We look forward to our popular “Run 4 Missions” fundraiser that will serve to support this valiant effort.**

We would be honoured for you to partner with us as we strive to serve the wider Gauteng community and beyond through the following endeavours:

- Housing subsidies for indigent varsity students;
- Chemical Recovery Program (from alcohol and illicit drugs);
- Teen, campus and young adult mentoring and leadership programs;
- Marriage transformation counselling;
- Free personal Bible studies;
- Training for missionaries through our yearly African Missions Conference;
- The planting and support of sister churches throughout the African continent

My wife and I have had the opportunity to invest a large amount of our personal funds to support this noble cause. Please pray for us to do even greater things this year!

Our past efforts have served to plant our new sister church in Kampala, Uganda, as well as to support sister congregations in the indigent areas of Freetown, Sierra Leone; Douala, Cameroon; Addis Ababa, Ethiopia; Busia, Kenya and Blantyre, Malawi! Our churches in Abidjan, Ivory Coast, and Kinshasa, Democratic Republic of Congo have now grown to hundreds! We are excited to plant new sister churches in Nairobi, Kenya and Lusaka, Zambia in 2023!

Please pray for God to bless our efforts to restore Biblical Christianity and unite like-minded individuals in a divided religious society. **Our international fellowship, the SoldOut Discipling Movement, has now spread to 140 churches in 56 countries on all 6 populated continents of the globe!**

Thank you in advance for your consideration in supporting this great work. Kindly see below for transfer details of how you can contribute. No gift is too small to be helpful! Please state “Missions” in the memo section of your bank transfer so we can keep track of our sponsorships. May God bless your sacrifice and generosity!

Sincerely,

Dr. Andrew Smellie
